School of Islamic Sufism

About MTO Shahmaghsoudi: The Maktab Tarighat Oveyssi Shahmaghsoudi | (MTO) – School of Islamic Sufism® is a non-profit organization with more than one million members worldwide. In Germany, the Sufi School has been active for over 4 decades and has community centers in Düsseldorf, Cologne, Frankfurt am Main, Hanover, Stuttgart and Hamburg. The origin of the Sufi School goes back 1400 years to the founder of the school, Oveys Gharani, who lived during the time of Prophet Mohammad (peace be upon him) and was known for his spiritual connection to the Prophet. to the Prophet from whom he received his teachings.

Sufism is a system of teaching and education for people seeking self-knowledge. Religion is seen and lived as a discipline that enables each individual in the here and now to live a fulfilled, contented and knowledgeable life, in peace and harmony with themselves, people and nature.
